★ ★ ★ ★ ★

IMPORTANT WARNING: To avoid possible serious injury:

A) Use this ammunition in properly functioning firearms in good condition.

B) Keep barrel free of any obstruction.

C) Make sure firearm is designed for this particular cartridge.

D) Check all cartridges in this box to be sure they are all the same and correct for use in the firearm as marked on it or recommended by the maker.

If the gun fails to fire, a delayed firing may occur or gun may fire on opening, causing serious injury. Keep gun in a safe direction. Wait 30 seconds. Carefully unload, avoiding exposure to breach. Wear proper hearing protection – repeated exposure to gunfire can damage hearing. Wear shooting glasses to protect eyes from flying particles. Improperly handloaded ammunition can cause serious injury. Handloading should be done only by competent adults after proper instruction. Since handloading practices are beyond our control, we disclaim all liability for damages which may result.

Discharging firearms in poorly ventilated areas, cleaning firearms or handling ammunition may result in exposure to lead and other substances known to cause birth defects, reproductive harm, and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure.

INFORMATIONS IMPORTANTES, afin d'éviter tout problème:

A) Utilisez cette munition dans des armes spécialement adaptées.

B) Assurez-vous que le canon ne soit pas obstrué.

C) Soyez sûr que cette cartouche corresponde au calibre de votre arme.

D) Vérifiez toutes les cartouches de cette boîte et assurez-vous qu'elles soient correctes et identiques pour le calibre inscrit sur l'arme par le fabricant.

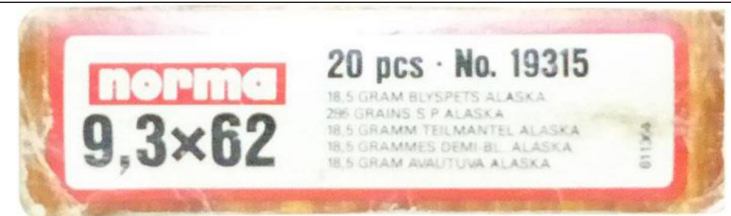

Dans le cas dans lequel la cartouche ne fasse pas feu, faites attention lors de l'ouverture de l'arme. le coup peut partir en causant de sérieuses blessures, gardez l'arme pointée dans une direction hors de la portée d'une personne, attendez 30 secondes, déchargez l'arme en vous positionnant hors d'attente des éclats. Portez des protections auditives, rappelez-vous que la pratique répétée du tir peut endommager l'audition, portez des lunettes de protection pour vous protéger des éclats.

Le rechargement manuel peut causer de sérieuses blessures, il doit être effectué par quelqu'un de compétent appliquant les strictes consignes. Le rechargement manuel n'étant pas sous notre contrôle, c'est pourquoi nous nous dégageons de toutes responsabilités en cas d'accident.

LEAD WARNING: Discharging firearms in poorly ventilated areas, cleaning firearms, or handling ammunition may result in exposure to lead, a substance known to be associated with birth defects, reproductive harm, and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure or prior eating/drinking. Non corrosive primers.

WARNING: To avoid injury: Use only in firearms in good condition marked and chambered for use of this caliber. Always be sure barrel is free of any obstruction. Wear eye and ear protection. If gun fails to fire, avoid exposure to breech when unloading and point muzzle in safe direction.

A stocker et à utiliser avec les précautions nécessaires pour votre sécurité et celle des autres. Ne pas laisser à la portée des enfants.

Made in Finland by Sako
Fabriqué en Finlande par Sako.

Warning: Keep out of reach of children and unauthorized persons.
Achtung: Vor Nichtberechtigten und Kindern sicher aufbewahren.
Atención: Guardar seguridad para con personas no autorizadas y con niños.
Attention: Gardez hors de la portée des personnes non autorisées et des enfants.

NOTICE: Sako brass cases are boxer primed and reloadable.

WARNING: As use of proper reloading procedures are beyond our control, we assume no liability or give any warranty against damages or injuries caused by use of reloads in these cases. Improper and poorly made reloads can be dangerous to the shooter and bystanders and may cause serious injuries or death, and ruin your rifle! No rifle manufacturer gives any warranty on rifles when reloads are used.

HUOMIO: Sako hylsyt ovat jälleladattavia!
VAROITUS: Koska emme voi valvoa, että jällelataustavat ovat oikeita ja latausarvot turvallisia, emme ota vastuuta vammoista tai aineellisista vahingoista, jotka johtuvat näihin hylsyihin jälleladattujen patruunoiden käytöstä. Virheellisesti ladatut patruunat voivat olla erittäin vaarallisia ampujalle sekä muille lähellä oleville. Ne voivat myös rikkoa aseän.

Sako represents the ultimate quality in factory-made rifles and ammunition. Sako cartridges have been developed for maximum accuracy, performance, stopping power and reliability. They offer you the precision of a meticulous specialist hand-loading. Uniform quality is achieved by using only components and materials are of the highest quality as well as by uncompromising quality control and continuous daily test shooting. More than 200 benchrest world records have been shot by using Sako ammunition – a world record in itself.

Notice: Hornady cartridges are manufactured to be fired only in firearms which are in good condition, and originally designed and chambered for this cartridge. Keep out of reach of children.

Lead Warning: Discharging firearms in poorly ventilated areas, cleaning firearms or handling ammunition may result in exposure to lead and other substances known to cause birth defects, reproductive harm, and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure.

We guarantee the exercise of reasonable care in the manufacture of this ammunition, but assume no further responsibility, expressed or implied.

Remarque: le cartouche Hornady sont conçus pour être tirés dans des armes à feu qui sont en bon état et qui, à l'origine, ont été fabriqués et chambrés pour cette cartouche. Ranger hors de la portée des enfants.

Risques Dus Au Plomb: lors de la décharge d'armes à feu dans des zones mal aérées, du nettoyage d'armes à feu ou de la manipulation de munitions, vous risquez d'entrer en contact avec du plomb ou d'autres substances connues pour être responsables d'anomalies génitales, avoir des effets négatifs sur la reproduction et pouvant être la cause d'autres blessures graves. Prévoyez une aération suffisante en tout temps. Nettoyez soigneusement vos mains après tout contact.

Nous garantissons que ces munitions ont été fabriquées de manière soignée mais ne portons aucune autre responsabilité exprimée ou implicite.
